

CHAPTER 1 COMMUNITY EMPOWERMENT

349—1.1(28) Scope. Community empowerment is created to establish partnerships between state government and communities. The emphasis is to develop community empowerment areas to improve the well-being of children and their families and, through collaboration, to improve the efficiency and effectiveness of local education, health and human services.

349—1.2(28) Purpose. Community empowerment is intended to empower individuals and their communities to achieve desired results to improve the quality of life for children and their families in Iowa. Community empowerment will enable local citizens to lead collaborative efforts involving education, health, and human services on behalf of children, families, and other citizens residing in the area. It is believed that individuals in local communities working together through the process of community assessment, identification of priorities and development of their community plan is the best means to reach desired results. The role of the Iowa empowerment board and the state is to support and facilitate growth of individual and community responsibility in place of the directive role the public has come to expect of government.

Every community in Iowa will develop the capacity and commitment to achieve these desired results for children and their families:

1. Healthy children.
2. Children ready to succeed in school.
3. Safe and supportive communities.
4. Secure and nurturing families.
5. Secure and nurturing child care environments.

349—1.3(28) Availability. Community empowerment areas are statewide to promote collaboration among state and local education, health, and human services, consumers, business, faith organizations and public and private organizations to reach the desired results.

349—1.4(28) Definitions. For the purpose of these rules, the following definitions apply:

“Accountable” means the community board will include the public in assessing, setting priorities, and developing and implementing a community plan to reach the purpose and desired results of empowerment and will ensure that adequate records are maintained.

“Advocacy” means to promote the purpose of community empowerment, promote the enhancement and expansion of the community plan and promote individual and family access to formal and informal support.

“Alignment” means state- and community-level interagency efforts to integrate early care, health, and education systems and enhance state and community partnerships through innovative approaches.

“Central office of empowerment” means a facilitator (appointed by the governor) and staff in the Iowa department of management.

“Citizen” means a resident of the empowerment area, who is not an elected official or a required representative for education, health, and human services, or a paid staff member of an agency whose services fall under the plan or purview of the community board. A citizen representative may also represent faith, consumer or business.

“Community assessment” means to identify all formal and informal supports, assets and resources, as well as gaps, in the empowerment area for children and their families. A community assessment includes communitywide data, statistics, and facts upon which to base decisions to develop a community plan and to identify priorities to reach the desired results.

“Community board” means the governing board for an empowerment area.

“Community board advisory council” means individuals appointed by the community board to function on a continuing basis to study and recommend policy and guidelines for the empowerment area.

“Community plan” means the local plan, adopted by the community board following input from the community, implemented in the empowerment area.

“Consumer” means an individual or a family member who is or has been receiving services or who is impacted by the community plan.

“Core functions” means components of services which provide a common foundation for home visitation, parent support and preschool services.

“Culturally competent” means the capacity to function across cultures, requiring the ability to appreciate, understand and interact with members of diverse populations within the community.

“Decategorization project” means the human services decategorization of child welfare and juvenile justice funding project operated under Iowa Code section 232.188.

“Designation” means the status awarded by the Iowa board to an empowerment area meeting the criteria for geographic boundaries, readiness, the collaboration process, assessment, priorities, a community plan and budget to reach the desired results for children and their families.

“Developmentally appropriate” means that services are based on human development and learning, individual characteristics and experiences, and social and cultural contexts.

“Elected official” means a member of a board or governing body elected through the means of a public election.

“Empowerment area” means a geographic area as defined by the local community and designated by the Iowa board.

“Family home visiting” means a face-to-face visit in the home, or other temporary location, with an individual or family to facilitate the individual or family to meet the goals.

“Fiscal agent” means a public agency as defined in Iowa Code section 28E.2; a community action agency as defined in Iowa Code section 216A.91; a nonprofit corporation; or an area education agency as defined in Iowa Code chapter 273 to be designated as the fiscal agent by a community board.

“Indicator” means a measure that indirectly quantifies the achievement of a result.

“Iowa board” means the state of Iowa’s community empowerment board as appointed by the governor that meets the membership criteria of citizens and state agency directors as voting members and legislators as nonvoting members.

“Iowa board advisory council” means a body of individuals appointed by the Iowa board, including community board members, to obtain input and recommendations on policy and guidelines.

“Iowa empowerment fund” means a fund created in the state treasury from which moneys will be distributed to empowerment areas for the purpose of supporting children and their families.

“Parent education” means any developmentally appropriate information provided to or facilitated with individuals who function in the role of parents or expectant parents.

“Parent support” means any activity, either formal or informal, that supports the success of children and their families to reach desired results.

“Performance measure” means a measure that assesses a program, activity, or service.

“Redesignation” means a process used by the community board and empowerment area to evaluate progress of collaborative efforts and the community plan toward reaching desired results.

“Result” means the effect desired for Iowans.

“Results-oriented” means the focus of the Iowa board and community boards is on results of the effect and impact the community plan and community collaboration have on children and their families for progress toward the desired results.

“State agency” means a department of the executive branch including, but not limited to, the departments of education, public health, human services and human rights.

“State empowerment team” means the central office of empowerment and identified personnel from the state agencies of education, public health, human services, and human rights to provide the day-to-day operational work of local- and state-level community empowerment and support to the Iowa board.

“Technical assistance” means an ongoing, systematic and interactive process that is designed to achieve results and that enables knowledge from research, policy and best practice to be shared in partnerships through a variety of strategies with specific groups, agencies, communities and other partners to use within their unique contexts.

“Volunteer” means a citizen who has demonstrated a voluntary involvement in local activities serving in the interests of the community.

349—1.5(28) Community empowerment central office.

1.5(1) Structure. The office of empowerment shall be established as a division of the department of management to provide a center for facilitation, communication and coordination for the community empowerment process, associated activities and funding.

1.5(2) Staff shall include a facilitator who is appointed by the governor, subject to confirmation by the senate, and who serves at the pleasure of the governor. A deputy and support staff may be designated. Staff shall be provided by state agencies represented on the Iowa board and by additional state agencies which make staff available.

1.5(3) Responsibility. The central office of empowerment and state empowerment team shall:

- a. Provide primary staffing to the Iowa board.
- b. Coordinate state technical assistance activities.
- c. Implement a technical assistance system. The technical assistance system:
 - (1) Utilizes local representatives of state agencies represented on the Iowa board.
 - (2) Utilizes other state agencies and individuals involved with empowerment areas.
- d. Communicate and coordinate functions.
- e. Increase state- and local-level collaboration.
- f. Move authority and decision-making responsibility from the state to communities.
- g. Compile an annual report to the governor and general assembly on Iowa board activity and policy development, state-level indicators toward desired results and the empowerment area's collaboration process, local indicators and performance measures. The annual report will include progress to avoid duplication, enhance efforts, combine planning and best utilize identified funding to meet the needs of the children and their families in the empowerment areas.

1.5(4) Technical assistance. Funds will be allocated to support the central office of empowerment. Regional technical assistance teams will be established and include staff from community colleges, area education agencies and the Iowa State University of Science and Technology cooperative extension service in agriculture and home economics and various agencies.

a. Technical assistance shall be provided continuously as well as upon request at the state and community level by the state empowerment team, regional technical assistance teams, and appropriate local providers.

b. State or regional technical assistance may be provided, upon request, to assist in the resolution of a disagreement arising in empowerment areas or community boards.

349—1.6(28) Iowa board.

1.6(1) Membership. The Iowa board shall consist of 17 voting members: 13 citizen members and 4 state agency director members. Six legislators shall serve as nonvoting members.

a. Four members shall be the directors, not the designees, of the state agencies of education, human rights, human services and public health.

b. The 13 citizen members shall be appointed by the governor, subject to confirmation by the senate.

(1) Appointments of citizen members shall ensure that each of the state's congressional districts is represented by two citizen members.

(2) Citizen members may be reimbursed for actual and necessary expenses incurred in the performance of their duties, and paid a per diem as stated in Iowa Code section 7E.6.

(3) Appointments shall reflect the ethnic, cultural, social, and economic diversity of the state. The governor's appointees shall be selected from individuals nominated by community boards.

(4) Appointments shall reflect the community board membership of one or more members each representing education, health, human services, business, faith, consumer and public interest.

c. Six legislators shall serve as nonvoting members of the Iowa board.

(1) Three legislators shall be appointed by the speaker of the house, with not more than two representing the same political affiliation, following consultation with the majority and minority leaders.

(2) Three legislators shall be appointed by the majority leader of the senate, with not more than two representing the same political affiliation, following consultation with the president of the senate and the minority leader of the senate.

(3) Legislative members are eligible for per diem and expenses as provided in Iowa Code section 2.10.

1.6(2) Structure.

a. The Iowa board shall adopt bylaws to establish structure and function.

(1) The chairperson shall be elected from the citizen members.

(2) A simple majority of the voting membership shall constitute a quorum.

(3) Terms of office of all citizen members are three years.

(4) A vacancy on the board shall be filled in the same manner as the original appointment for the balance of the term.

b. The Iowa board shall meet a minimum of four times during the state fiscal year. Additional meetings may be called upon the request of the chairperson or upon the call of a majority of the voting members.

1.6(3) Iowa board responsibility.

a. The Iowa board may designate an advisory council consisting of representatives from community boards and persons knowledgeable or interested in the fields of health, human services, education and early childhood.

b. The Iowa board shall strive for coordination of services for children and their families through a state and local community partnership.

c. The Iowa board shall provide for maximum flexibility and creativity in the designation and administration of the responsibilities and authority of community boards and empowerment areas.

d. The Iowa board shall adopt guidance for community empowerment in Iowa. The guidance shall include at a minimum:

(1) The following state-level indicators are adopted and indirectly quantify the achievement of the desired results.

1. Low birth weight;
2. Rate of immunization by age two;
3. Children entering kindergarten are ready for school;
4. Incidence of child abuse;
5. Teen birth rate;
6. Serious crime;
7. Poverty level;
8. Employment rate;
9. Child abuse in a child care setting; and
10. Availability of child care.

(2) State-level indicators to be measured and available each fiscal year as compared with a baseline and prior fiscal years, as data is available.

(3) A process to request a plan of action from an empowerment area regarding progress toward desired results.

(4) Guidelines for progress reports by empowerment areas, including a process to report progress toward achieving results.

(5) Core functions for home visitation, parent support and preschool services provided through the community plan.

e. The Iowa board shall annually submit results to the governor and general assembly.

f. The Iowa board shall evaluate and determine empowerment area requests for approval of revised local structure and boundaries.

g. The Iowa board shall develop guidelines for insurance or other liability coverage of community boards.

h. The Iowa board shall, with extensive community input, develop and annually update a five-year and a ten-year plan to assist empowerment areas to reach collaboration and strive to align local assets and resources to reach desired results. The annual plan update will be provided each December to empowerment areas, the governor, and the general assembly.

i. The Iowa board shall identify bodies in state government providing overlapping and similar purposes to the public in education, health, and human service and make recommendations to the governor and general assembly to increase alignment, coordination, consolidation or integration to achieve desired results.

j. The Iowa board shall coordinate, consolidate, or integrate community-level committees, coalitions, planning groups, and other bodies with common purposes and memberships formed in response to state requirements.

k. The Iowa board shall evaluate and respond to requests from a community board for consolidation or integration to enhance reaching desired results. In order to implement a waiver, the community boards will follow the current waiver process as identified in administrative rules of each state agency.

l. The Iowa board shall establish a process for redesignation to occur every three fiscal years.

(1) The Iowa board determines the award of redesignation status to an empowerment area.

(2) The community board evaluates:

1. Community plan;
2. Progress toward local indicators and performance measures;
3. Collaboration process;
4. Management of empowerment funds; and
5. Local system development.

349—1.7(28) Empowerment area.

1.7(1) *Structure.* A large enough population and geographic area exist to efficiently and effectively administer the responsibilities and authority of the community board to enable citizens to lead collaborative efforts involving education, health, and human services on behalf of children, families and other citizens in the empowerment area.

a. A governing board is established to meet criteria for membership and structure and to assume the responsibility of a community board.

b. An empowerment area of a county or school district not meeting required criteria may request an exception to policy from the Iowa board.

1.7(2) *Responsibility.* An empowerment area is established to enable local citizens to be involved and commit to reaching the desired results for children and their families and to fulfilling the purpose of community empowerment.

349—1.8(28) Community board.

1.8(1) Structure. A community board shall function as the governing board for an empowerment area.

- a. Empowerment area functions shall be performed under the authority of a community board.
- b. A community board is a unit of local government for purposes of Iowa Code chapter 670, which relates to tort liability of governmental subdivisions.
- c. A majority of the members of a community board shall be elected officials or citizens.
- d. A community board shall have members to represent, at a minimum, education, health, human services, citizens, elected officials, and business, faith, consumer and public interest.
- e. Each community board shall adopt bylaws that will, at a minimum:
 - (1) Establish the function and structure for community boards.
 - (2) Set the terms of office for three years, and the terms shall be staggered.
 - (3) Provide for the election of a chairperson from citizens, elected officials or volunteers.
- f. A community board shall establish an organizational structure to ensure that the local expertise, public will and continuous input from the community are requested, reviewed and evaluated.
- g. The meetings of a community board or any committee or other body established by a community board at which public business is discussed or formal action taken shall comply with the requirements of Iowa Code chapter 21 (open meetings).
- h. A community board shall maintain its records in accordance with Iowa Code chapter 22 (open records).

1.8(2) Responsibility.

- a. A community board shall:
 - (1) Obtain extensive community input to develop a mission and a vision for the empowerment area.
 - (2) Designate a fiscal agent from a public agency, a community action agency, an area education agency or a nonprofit corporation.
 - (3) Administer, at a minimum, the community empowerment funds from the state awarded for the empowerment area.
 - (4) Administer funds as provided by law or from other federal, state, local, grant, foundation, or private moneys or other funds.
 - (5) Ensure that interest or earnings on the community empowerment funds will be used for services in the community plan.
 - (6) Coordinate with the decategorization governing boards the community plan and budget for the empowerment geographic area.
 - (7) Develop and implement a community plan, with identified priorities, based on community assessments which address human service, education and health needs to support children and their families to reach desired results.
 - (8) Ensure that an annual report for the empowerment area on the effectiveness of the community plan is submitted each fiscal year to the Iowa board and to local governing bodies in the empowerment area.
 1. Complete a budget that identifies existing sources of funding, including in kind and match, and how these funds may be coordinated with the early childhood and school ready funds to support the community plan.
 2. Identify members of the community board, including each member's representation.
 3. Identify local empowerment area indicators to assess the effectiveness of the community plan.
 4. Provide measures, data, facts and statistics, including analysis, on progress of the community collaboration and the community plan.
 5. Include baseline data and the ensuing fiscal year's data for local indicators, identify priorities, link local indicators to desired results, and report performance measures.

(9) Provide for staff to the empowerment area and community board through the collaborative efforts of public and private organizations committed to reaching desired results for children and their families.

(10) Develop a plan to sustain community efforts to support children and their families within the empowerment area.

(11) Function as a coordinating body for collaboration and alignment of services, which are offered by different entities and directed toward similar purposes, within the empowerment area.

(12) Assume other responsibilities established by law or administrative rule.

b. A community board may:

(1) Designate one or more committees for oversight of empowerment funds awarded to the empowerment area.

(2) Develop, within the empowerment area, neighborhood bodies for community-level input to the community board and implementation of the community plan.

(3) Implement the Iowa board's process to award funds at the beginning of the fiscal year to service providers.

(4) Establish an advisory council with representatives from the empowerment area to advocate, make recommendations, provide expertise, suggest public policy, and provide guidance to the community board. The community board may appoint an advisory council including members who are professionals knowledgeable in the fields of health, human services, early care, and education.

(5) Apply to the Iowa board or state agencies for waivers in order to administer categorical funds for services provided in the empowerment area which support the desired results for children and their families.

(6) By mutual written agreement between the community board, the decategorization board, and the state department of human services, assume the duties of the decategorization board or the decategorization board may serve as a committee of the community board.

349—1.9(28) Iowa empowerment fund. An Iowa empowerment fund is created in the state treasury as specified in Iowa Code section 28.9. A school ready funding account is created in the Iowa empowerment fund under the authority of the Iowa board to be administered by the director of the department of education. Moneys credited to the account shall be distributed by the department of education to designated empowerment areas pursuant to criteria established by the Iowa board in accordance with law. An early childhood funding account is created in the Iowa empowerment fund and shall be distributed by the department of human services to designated empowerment areas pursuant to criteria established by the Iowa board in accordance with law. Interest or earnings on moneys deposited in the Iowa empowerment fund shall be credited to the fund.

349—1.10(28) Iowa empowerment funds.

1.10(1) Purpose. The purpose of Iowa empowerment funds is to:

- a.* Encourage early intellectual stimulation of very young children;
- b.* Increase the basic skill levels of students entering school;
- c.* Increase the health status of children;
- d.* Reduce the incidence of child abuse and neglect;
- e.* Increase the access of children to an adult mentor;
- f.* Increase parents' involvement with their children; and
- g.* Increase the quality and accessibility of child care and preschool.

1.10(2) Criteria for the use of early childhood funds. Use of early childhood funds is defined in department of human services 441—Chapter 169, Iowa Administrative Code.

1.10(3) *Criteria for school ready funds.* School ready funds may be provided according to the community plan following community assessment of assets, resources and needs and identification of priorities.

- a.* Services, at a minimum in a community plan, may include, but are not limited to:
 - (1) Child development services.
 - (2) Child care services.
 - (3) Child care provider training on a child's early learning experience.
 - (4) Children's health and safety.
 - (5) Assessment services to identify chemically exposed infants and children.
 - (6) Parent support and education.
 - (7) Preschool services for children at risk.
- b.* Up to 3 percent, not to exceed \$60,000, of annual school ready funds may be used by the community board for administrative costs and other implementation expenses.
- c.* Empowerment areas are encouraged to commit 60 percent of school ready funds to family home visitation and parent support based upon a local community needs assessment.
- d.* Eligibility to receive school ready funds shall be limited to designated empowerment areas.
- e.* School ready funds may be adjusted for other federal and state grant moneys received by the empowerment area.
- f.* Distribution of school ready funds shall be in accordance with directives in the current legislative appropriation of these funds.

These rules are intended to implement Iowa Code chapter 28.
